Letter of Recommendation

To Whom It may concern

I am pleased to write this letter of recommendation for Mr. Amitoj Singh Chawala, a highly dedicated and talented student whom I have had the privilege of mentoring in my capacity as an Assistant Professor at the Department of Computer Science, Guru Tegh Bahadur Institute of Technology. I have known Amitoj for an extended period, during which he has demonstrated remarkable academic aptitude, technical expertise, and an unwavering commitment to excellence.

Amitoj possesses a deep understanding of core computer science concepts and has consistently showcased his ability to apply theoretical knowledge to practical problems. He has actively engaged in various research and development projects, demonstrating exceptional problem-solving skills, innovation, and adaptability. His technical proficiency spans multiple domains, including UI/UX Design, Software Development, and artificial intelligence applications, making him a strong candidate for research-oriented opportunities like yours.

Beyond his technical abilities, Amitoj exhibits strong leadership, teamwork, and a relentless pursuit of knowledge. He proactively explores emerging technologies, takes initiatives beyond coursework, and contributes meaningfully to projects. His perseverance, dedication, and analytical mindset equip him well for research environments and high-level academic programs.

I strongly recommend Mr. Amitoj Singh for any fellowship or research program without reservation. His enthusiasm, problem-solving skills, and commitment to excellence will make him a valuable asset to any academic or research institution. If you require any further information, please feel free to contact me.

Sincerely,

Ms. Swati Rawat

Assistant Professor

Department of Computer Science
